

Literacy

Instructional Writing: 'How to Grow your own Lettuce'

- Write a sequence of sentences using imperative verbs.
- Use prepositional and adverbial phrases to add detail and sequence and complex sentences to convey detailed information.

Explanation Writing: 'How Santa Really Works'

- Use question marks, exclamation marks and commas in lists correctly.
- Write with a logical structure of paragraphs.
- Use complex sentences with subordinating conjunctions (if, when, because, although) to explain.

Numeracy

Multiplication and Division

- To recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.
- To solve mathematical statements and problems using multiplication and division.
- To understand the order of division is important but multiplication can be in any order.

Measure

- To measure, compare and use different lengths.
- To measure the perimeter of different common shapes.

Science

Forces and Magnets

- Identify that objects need to connect for forces, except magnets.
- To investigate if objects are or are not attracted to magnets.
- To investigate how objects move on different surfaces.
- To identify how magnets attract and repel and link this to the poles.
- To identify the effect of objects in water, link to floating and sinking.

PSHE

We will be learning about how to keep ourselves healthy through hygiene and diet.

Year 3 (LM)

Stone Age to the Iron Age

Autumn Term

MFL

We will revise numbers 0 – 10, greetings and classroom instructions using songs and role play.

We will find out about Christmas in Spain.

ART/DT

In Art are going to be concentrating on observational drawing: looking at what faces and other objects are really like and producing more realistic works of art.

In DT we will design, make and evaluate Mechanical Posters incorporating levers and linkages.

RE

To describe the different religious celebrations from around the world.

To identify how different religions show commitment.

To reflect on their own inspirations in life.

Computing

We will be learning how to use Word and improve our typing accuracy and speed.

We will send emails to our friends within the class. Using Audacity, we will learn how to layer sounds to create a soundscape.

PE.

Swimming

- Different strokes and water confidence

Music

We will continue whole class recorder lessons and perform to parents.

We will sing Christmas songs in preparation for the Carol Service.

Forest Schools & Gardening

We will be creating Stone Age objects and houses using natural resources. We will be exploring and learning more about autumn. We will be preparing the garden for spring including the planting of spring flowering bulbs. In addition, we will be exploring our own interests in the outdoors working on increasing our independence and self-esteem.

Humanities

Bronze and Iron Age

To know how Bronze was made.

To investigate how the climate changed at the end of the Bronze Age era.
