

Personal, Social and Emotional

We will be talking about our own strengths and abilities. We will continue to build our independence and resilience during self-chosen activities along with our ability to turn take and work cooperatively with others. During circle times, we will be talking about our feelings and how our actions can affect others.

Literacy

We will continue with daily phonics, introducing digraphs and reading of words with more than 3 letters. We will be practicing blending and segmenting along with reading and writing lists and simple sentences. We will be having a go at writing lists, captions, and sentences. We will also introduce finger spaces, capital letters and full stops.

Understanding of the World

We will be learning about different festivals that both we and others celebrate around the world. We will discuss similarities and differences between them. We will be using bee bots and computers to support our learning.

Communication and Language

This term we will be continuing to build on our listening and attention skills. We will be following instructions with more than one part. We will be learning new vocabulary linked to our learning in role play. We will be walking around our local area and talking about what we see.

Physical Development

We will be continuing to develop our spatial awareness when moving around a large space. We will be working on controlling our bodies to move in a range of different ways. We will be working on our pencil control to improve individual letter formation. We will also be looking at how to keep our bodies healthy.

Numeracy

This term we will continue to develop our knowledge of numbers to 20. We will be learning to estimate accurately along with adding and subtracting. We will be introducing mathematical language into our play such as more, less, fewer, heavier and lighter. We will look at 3d shapes and their properties as well as learning about time.

Music

- Exploring instruments and the sounds they make
- Learning new songs

Forest School

We will continue to explore the Forest School area – finding and identifying natural treasures. We have campfires and learn about fire safety. We will make things – such as jewellery and puppets – using natural resources. The spring term is also a very busy time in the garden! We will plant both flower and vegetable seeds and learn how to take care of them.

Expressive Art and Design

We will be using our imagination in role play and creating a variety of different representations. We will be exploring music and instruments from different cultures. We will develop our awareness of using colours for a purpose. We are going to focus on planning and adapting our constructions with a purpose in mind.
